

Food Program

The Center provides your child with nutritious, well-balanced breakfasts, lunches and snacks. Animal Crackers, Inc. participates in the USDA Federal Child Care and Adult Food Program sponsored by the State Department of Public Instruction. You will receive a form when you enroll and annually thereafter. This form provides Animal Crackers, Inc. with the necessary family information required by the Department of Public Instruction. Menus follow the guidelines established by the State of Wisconsin to ensure balanced nutritional content in each meal and snack we serve.

Menus are posted weekly, giving parents the opportunity to keep track of what their children are eating.

Infant formula is provided by the Center until the child's first birthday. In the event your child is on a special formula that is not readily accessible to the Center or authorized by a doctor's prescription, the parents are asked to provide the formula. Baby food is also provided by the Center. Parents of infants will be given their child's feeding schedule daily. Nursing mothers are welcome.
